The Magister Lvcentinvs

Is one of the most prestigious European centres providing specialized education in Intellectual Property Law and Digital Innovation. It is in this endeavour that some of the most influential Intellectual Property institutions participate in its one-year Master Programme, taking place in Alicante (Spain), also the seat of the European Union Intellectual Property Office.

Continuing Education

Pursuing its objective of contributing to the expansion of specialized knowledge in Europe, the Magister Lvcentinvs has launched a programme of Intensive Modules in 2003, in collaboration with different institutions and firms. Their aim is to provide practical and international knowledge of Intellectual Property laws and practice.

The Community Design intensive Module

This programme, an advanced and intensive seminar organized within the framework of the XXVI Magister Lvcentinvs, Master in Intellectual Property and Digital Innovation of the University of Alicante, is organized in collaboration with EUIPO and specialized firms. It covers a wide variety of aspects of Design Law, substantive and procedural issues, related with the protection of the Community Design, are explained in detail by experienced professionals, starting from the application for the Community Design and including strategic issues related with the enforcement and protection of the Community Design.

Who should participate?

The programme is designed for law graduates, lawyers and professionals, who wish to specialize in the practice of Community Design Prosecution and Litigation. The programme is particularly suitable for practitioners and professionals unable to interrupt their professional activities for long periods of time. The participants will share their academic activities with specialists and post-graduate students coming from different countries, mainly from the European Union and Latin America.

Language

All intensive modules are taught fully in English, in order to promote international participation.
